GETTING IT ALL UNDER CONTROL BOB HUTTON - MULTI-PURPOSE ROOM 130

Life, work, faith, finances, relationships, family and everything in between! Sometimes it may feel like you're out of control in certain areas and don't know how or what to do to "get it all together." In this 7 week series we will talk about the realities of life and how God can and will give us that peace and balance to life that we desperately need.

DOES JESUS REALLY CARE? PASTOR FRAZIER - TUSCAN GARDEN ROOM 180

At some point, we've all had that question – does Jesus really care about what I'm going through in life? Does He really care when I'm sick or afraid or hurting? What about when I feel confused and I have questions that seem to have no answers? For seven weeks we're going to study John 11 where we find Mary and Martha wondering if Jesus really cared about what they were going through. But most importantly we're going to learn that, yes, Jesus does really care!

A PROPHET, A STORM, A FISH, A PEOPLE AND A PLANT JAKE TOVISSI - PEACEFUL HARBOR ROOM 190

Our God can take any situation and use it for His good - even getting swallowed by a big fish! Join us as we dive into the story of Jonah and how even though he tried to run from God, He still used him to impact an entire city. This elective will look into how God used the Gospel to work in the life of His prophet and the people of Ninevah.
