SPEAKERS

Our camp speakers are engaging and dynamic as they challenge the students twice a day during a camper week in chapel. They come prepared to share the truth of God's Word with your camper. They have props, illustrations and passion as they help campers understand so many different truths about God's Word.

In our confusing world, your campers have the opportunity to hear of a consistent truth while at Camp CHOF. Speakers will teach them what the Bible says in areas like, obedience to parents, foundations of the gospel, importance of the local church, how scripture guides us through depression, difficult times
and so much more!

OUR HISTORY

Canton Baptist Temple has always had a burden to reach the youth of Stark County and beyond. Because of that, Camp CHOF was created in 1969 to reflect the values of the Kingdom of God through a unique environment and exciting program with the goal of cultivating genuine relationships with God and one another. Campers have the opportunity to connect with God and one another in a safe environment away from life's daily distractions. Campers participate in a variety of exciting activities, including: swimming, go-karts, high-ropes course, dual zip lines, climbing tower, giant swing, and much more! Most importantly, campers are challenged by God's Word each day through trained counseling staff and a special guest speaker. Camp CHOF is dedicated to giving each individual camper a memorable week that is sure to deepen their personal relationship with God.
