

Camp CHOF exists to serve God and to reflect the love of Jesus Christ by providing a unique environment that may help the local church strive towards the calling of the Great Commission.

Camp CHOF's Core Values

- 1) Biblical - We offer and hold strong to a Biblical worldview whenever it comes to training our staff and teaching campers. (Isaiah 40:8)
- 2) Communal - We think camp is great! The Church is better! We encourage all of our campers to be connected to a biblically sound church. (1 Timothy 3:15, Hebrews 10:25)
- 3) Refreshing - We want the time spent at camp to be a refreshing time in one's walk with Christ. (Galatians 5:22)
- 4) Servants of Christ - We are ultimately here to serve Christ and reflect His love and compassion towards others. We desire that our servant attitude would reflect excellence. (James 1:1)
- 5) Stewards of God's Work - We desire to take care of all that the Lord has given us on the property. We have a great rustic camp that we desire to take care of and keep clean. (Colossians 3:23, 2 Timothy 2:15)
- 6) Accelerated - We have an environment that is conducive to the accelerated spiritual growth for our staff and campers. (Deuteronomy 8)

Camp CHOF's Philosophy Pillars

We observe Luke 2:52 and 1 Corinthians 10:31 to establish a biblical camp philosophy.

God has called us to grow in four main areas that will glorify His name as we express our thoughts, words and actions.

At Camp CHOF, we will grow...

- Mentally - We will challenge campers to consider the teachings of God's Word and will show them how to apply it to their lives.
- Physically - We will push campers to the limit through games and activities while we also make sure that they understand how to keep a cabin clean and help others with their physical abilities.
- Spiritually - We have a desire for campers to have a week of accelerated spiritual growth so that they may have a better outlook on the local church and see the importance of being part of a church family.
- Socially - We will be able to help the campers learn how to develop godly friendships and also how to properly handle conflict in a biblical model.
